Participants will be required to complete a conference registration form, which should be presented to the accrediting officers of the Conference secretariat. Once accreditation has been approved, participants will have their photographs taken and their badges issued. Participants who have pre-registered may proceed directly to claim their identification badges.

Credentials

In accordance with rule 3 of the rules of procedure, the credentials of representatives shall be submitted to the Secretary-General of the Conference if possible not less than one week before the opening of the Conference. The credentials shall be issued by the Head of State or Government or by the Minister for Foreign Affairs. Delegations which have not yet done so should submit their credentials to the secretariat of the Conference as soon as possible.

Delegates are requested to deliver a minimum of 20 copies of all statements to the conference officer in the respective conference room. If delegations wish copies of the speech to be distributed in the room, a minimum of 400 copies will be required. In this regard, delegations are reminded that, because the reproduction facilities on site are for official conference documentation only, the secretariat cannot accept such texts for reproduction. Reproduction facilities on a payment basis are available in the business centre, which is located on the ground floor of the ICC.

Delegations wishing to make statements available to the press are requested to bring 300 copies to the information counter in the Media Centre inside the Durban Exhibition Centre building.

Delegations are also requested to submit an electronic version of all language versions available of statements made in the Plenary of the Conference, in Word or WordPerfect format, to DPI@un.int.
