**These guidelines must be provided to requesters. Whenever the special emblem is uploaded on the internet, the guidelines must be uploaded on the same page.**

### **I. Design**

The 2014 International Day of Peace logo represents the human aspiration of world peace. An earthly figure, which encompasses all nationalities and genders, is shown reaching for this higher cause in the light of dawn. Here the dove represents peace. Its organic shape is a continuation of the human form, highlighting how the two are intertwined. This means that peace cannot exist without the work and hopes of human beings.

Next to the image the words to the theme of the International Day of Peace appear: “The Right of Peoples to Peace”.

The words “International Day of Peace” appear below the image together with the date of the observance (21 September).

The 2014 International Day of Peace logo is available in the six official United Nations languages: Arabic, Chinese, English, French, Russian and Spanish.

Interested entities are encouraged to translate the text into local languages, provided that they will state clearly that they are solely responsible for the accuracy of the translation.
